**STATEMENT OF FACTS**3  
**A. Defendant's Apprehension**

4 On April 1, 2008, Drug Enforcement Administration Special Agent Michael Dockery  
5 encountered a suspicious big-rig truck during his surveillance of a Shell gas station in El Centro. Agent  
6 Dockery was using binoculars and his sport utility vehicle. Agent Dockery observed two sedans arrive  
7 at the rear of a white semi truck and trailer around 8:20 p.m. The two sedans turned off their lights once  
8 they pulled into the station and toward the semi truck. The truck and trailer were parked in the rear of  
9 the gas station, whose overhead lights were turned off. Agent Dockery saw the rear doors of the trailer  
10 open, then close. At around 8:27 p.m., the two sedans left the area and drove south on Old Highway  
11 111.

12 At 8:45 p.m., the truck lights came on, and the truck drove through the gas station's parking lot.  
13 The truck then pulled into the shoulder of the road and parked near the intersection of Old Highway 111  
14 and Ross Road. When the truck pulled over, facing the road, Agent Dockery was able to see that the  
15 driver was wearing a white T-shirt, because the truck cab's light was turned on. Then, the truck quickly  
16 returned to the same Shell gas station in El Centro. At 8:55 p.m., a large yellow van pulled next to the  
17 rear of the trailer. This yellow van also blacked out its lights once it approached the semi-truck. Agent  
18 Dockery then saw the yellow van leave the gas station, heading south on Old Highway 111. At 9:10  
19 p.m., a sedan with blacked-out lights approached the semi-truck. A passenger from the sedan climbed  
20 into the truck's trailer, and the trailer doors closed.

21 Then, at 9:15 p.m., the semi-truck left the gas station parking lot in El Centro and traveled toward  
22 Westmorland. Agent Dockery followed the truck. At 9:50 p.m., the semi-truck pulled into a Shell gas  
23 station in Westmorland. The truck parked in the rear of the gas station and backed up to the fence. Ten  
24 minutes later, the semi-truck left the gas station lot and drove north on Highway 86 toward the Border  
25 Patrol checkpoint. Agent Dockery continued his surveillance of the truck by driving along the same  
26 road. Believing that the semi-truck was being used to transport illegal aliens, Agent Dockery used his  
27 cellular phone to call Border Patrol Agent Delgado at the Highway 86 checkpoint.

When Agent Dockery approached the checkpoint, a few vehicles ahead of the semi-truck, he identified the truck for the inspecting agent. Agent Martinez made the initial contact with the semi-truck and its driver, asking in English and in Spanish for the driver, Defendant Melvin Alfaro-Zuniga, to state his citizenship. Defendant hesitated when asked this question. Agent Martinez then asked Defendant a second time to state his citizenship. Defendant said nothing and handed Agent Martinez his employment authorization document. Defendant then stated that he was a citizen of El Salvador. During this brief questioning, Agent Martinez noticed that Defendant was trembling. Agent Martinez then handed the documents back to Defendant and watched Defendant nervously fumble the documents. Agent Martinez then questioned Defendant about the contents of the trailer. Defendant said that he was hauling celery from Yuma, Arizona and handed the agent a cargo manifest. While Defendant handed the cargo manifest, Agent Martinez again noticed that Defendant's hand was shaking nervously. During questioning, Agent Martinez noticed that Defendant's voice was cracking and giving out.

Agent Delgado then told Agent Martinez to send the truck to the secondary inspection area. Agent Martinez then asked Defendant for permission to search the entire truck and trailer. Defendant agreed, and Agent Martinez instructed Defendant to pull into the secondary inspection area. After Defendant gave consent to search a second time, Agent Delgado and his detector dog inspected the exterior of the truck and trailer. After the dog alerted to the trailer, Agent Delgado asked Defendant for permission to break the seal and search the trailer. Alfaro again granted consent.

Agent Delgado removed the seal, opened the rear door, and peered inside the trailer. Agent Delgado used his flashlight to look under the pallets, immediately noticing a pair of shoes. Three Border Patrol agents entered the trailer and found a total of twenty people hiding inside. The temperature inside the trailer was 43 degrees Fahrenheit. The agents identified themselves and questioned the twenty people about their citizenship and immigration status. All twenty people admitted to being citizens and nationals of Mexico without any permission to legally enter the United States. Agents took the driver and the twenty illegal aliens into custody.

At 1:27 a.m., agents advised Defendant of his Miranda rights, which he acknowledged. Defendant invoked his right to remain silent and questioning ceased. The material witnesses-- Sergio De la Cruz-Cervantes, Diego Mora-Rincon and Andres Vizcaino-Galarza--were also interviewed. The

1 material witnesses were unable to identify the driver of the semi-truck, but all stated they were to pay  
 2 a \$2500 fee to be illegally smuggled to Los Angeles. The material witnesses described illegally crossing  
 3 the border near Calexico on foot. Then, the material witnesses were picked up by a car and were taken  
 4 to a small house. After spending two or three days in the crowded house, the material witnesses were  
 5 placed into different vehicles and told to hide. Then, the material witnesses arrived at a gas station,  
 6 where they were told to enter the semi-truck's trailer and keep quiet.

7 On April 23, 2008, a federal grand jury for the Southern District of California returned a three-  
 8 count Indictment against Defendant, charging him with: transporting an alien-- (1) Sergio De la Cruz-  
 9 Cervantes, (2) Andres Vizcaino-Galarza, and (3) Diego Mora-Rincon -- within the United States, in  
 10 violation of Title 8 U.S.C. § 1324(a)(1)(A)(ii) and (v)(II). At the arraignment on the Indictment on  
 11 April 24, 2008, Defendant entered a not-guilty plea.

### 13 **UNITED STATES' RESPONSE AND OPPOSITION TO DEFENDANT'S MOTIONS**

#### 14 **A. ORDER COMPELLING DISCOVERY IS UNNECESSARY**

##### 15 **No Order is Required; The United States is Complying With Discovery Obligations**

16 \_\_\_\_\_ The United States has produced 153 pages of discovery as of the filing of this response, as well  
 17 as a digital video recording of the defendants' post-arrest Miranda warnings and the interview with the  
 18 material witnesses. The United States has complied and will continue to comply with its discovery  
 19 obligations under Brady v. Maryland, 373 U.S. 83 (1963), the Jenks Act (18 U.S.C. §3500), and Federal  
 20 Rule of Criminal Procedure 16. Because the United States has complied and will comply with its  
 21 discovery obligations, an order to compel discovery is unwarranted and the request for such an order  
 22 should be denied. The assigned prosecutor is attempting to locate the specific items the defense attorney  
 23 requested on page 2-3 of his motion. Consistent with these efforts, the color photographs of the vehicle  
 24 have just been provided as discovery, as well as the videotape of the post-apprehension interview.  
 25 However, there was no recording of the telephone conversation between Agent Dockery and Agent  
 26 Delgado.

1     **B. THE GRAND JURY WAS NOT MIS-INSTRUCTED**

2         Defendant moves to dismiss the indictment against him for alleged errors in this Court's  
 3 instruction of the grand jury panel. The United States explicitly incorporates by reference the briefing  
 4 on this issue submitted in United States v. Bermudez-Jimenez, 07CR1372-JAH, and United States v.  
 5 Martinez-Covarrubias, 07CR0491-BTM. This motion has been denied by each court that has considered  
 6 it, and should also be denied in this case.

7     **B. EVIDENCE SEIZED DURING THE CONSENSUAL SEARCH AT THE CHECKPOINT  
 8 IS ADMISSIBLE**

9         Defendant argues that the warrantless search of the trailer he was hauling was unreasonable, and  
 10 that this Court should suppress all evidence following the search. This motion should be denied.  
 11 Defendant fails to acknowledge in his suppression motion that he consented three times to a search of  
 12 his truck and trailer.

13         The law governing vehicle stops at permanent Border Patrol immigration checkpoints like the  
 14 one at issue here is well-settled. In United States v. Martinez-Fuerte, 428 U.S. 543 (1976), the Supreme  
 15 Court specifically upheld the constitutionality of such checkpoints. The Court recognized that vehicle  
 16 stops at such checkpoints are seizures within the meaning of the Fourth Amendment. Id. at 556.  
 17 However, given the Government's "special need" to stem illegal immigration, lesser protections attach  
 18 to these stops. A vehicle may be stopped at an immigration checkpoint for brief initial questioning and  
 19 referred to a secondary inspection area for further immigration questioning "in the absence of any  
 20 individualized suspicion." Id. at 543.

21         During primary or secondary inspection of a vehicle at an immigration checkpoint, Border Patrol  
 22 agents may request consent to search. United States v. Martinez-Fuerte, 428 U.S. 543, 567 (1976);  
 23 United States v. Ortiz, 422 U.S. 891, 898 (1975). Where agents obtain voluntary consent, they may  
 24 search without a warrant and even without probable cause. Schneckloth v. Bustamonte, 412 U.S. 218  
 25 (1973).

26         The search of the tractor and trailer that Defendant was driving was lawful, since it was justified  
 27 by consent. There is no indication that Defendant's consent to search was forced. Defendant consented  
 28

1 to a search three times, with two different agents. The evidence obtained as a result of the consensual  
2 search should not be suppressed.

3 Beyond Defendant's consent to search, there was ample probable cause to search the truck.  
4 Highway 86 checkpoint is deliberately located in a corridor frequently used by alien and drug smugglers.  
5 At primary inspection, Defendant, an alien, failed to answer routine questions about his citizenship and  
6 he acted in an unusual manner, with shaking hands and a cracking voice. Here, based on Defendant's  
7 unusual behavior at primary inspection, the Border Patrol agents were suspicious that he was smuggling  
8 contraband.

9 Probable cause to search a vehicle generally means that officers have a reasonable belief that  
10 seizable items are located within a lawfully stopped vehicle. Carroll v. United States, 267 U.S. 132, 158-  
11 62 (1925). Probable cause can be based on the collective knowledge of police officers involved in an  
12 investigation, "even if some of the information known to other officers is not communicated to the  
13 arresting officer." United States v. Butler, 74 F.3d 916, 920-21 (9th Cir. 1996).

14 In this case, Agent Dockery essentially witnessed the loading of illegal aliens into the cargo area  
15 of a big-rig truck, under very suspicious circumstances. First, all of the lights in the back parking lot  
16 of the Shell station had been turned off. Second, the big-rig truck's lights were completely turned off.  
17 No fewer than four different cars deliberately drove through the gas station and right up to the lone truck  
18 in the parking lot, also blacking out their lights. Agent Dockery witnessed the trailer doors open and  
19 close, in connection with the arrival of the blacked-out vehicles. There was ample probable cause, based  
20 upon Agent Dockery's surveillance observations, to believe that illegal immigrants were located within  
21 the vehicle that pulled up to the checkpoint inspection area. Agent Dockery telephoned ahead to an  
22 agent at the checkpoint to alert the agent about the presence of illegal aliens inside this particular truck.  
23 Defendant's nervous demeanor at the inspection booth further led agents to conclude that he had  
24 contraband hidden inside the vehicle. Although this search is completely justified by Defendant's  
25 consent to search, it is also supported by probable cause. The motion to suppress evidence of the search  
26 should be denied.

27

28

## **B. WITNESS STATEMENTS SHOULD NOT BE SUPPRESSED**

The motion to suppress statements of any witness who is unavailable at trial is premature. This motion should be decided at the motions in limine stage of the trial, if not during the trial itself.

**C. LEAVE TO FILE FURTHER MOTIONS**

The United States does not oppose Defendant's request for leave to file further motions, so long as such motions are based on discovery not yet received by Defendant.

III

## UNITED STATES' MOTION FOR RECIPROCAL DISCOVERY

9       Defendant has invoked Fed. R. Crim. P. 16(a) and the United States has voluntarily complied  
10 with the requirements of Rule 16(a). Therefore, provision 16(b) of that rule, requiring reciprocal  
11 discovery, is applicable. The United States hereby requests Defendant to permit the United States to  
12 inspect, copy, and photograph any and all books, papers, documents, photographs, tangible objects, or  
13 make copies of portions thereof, which are within the possession, custody or control of Defendant and  
14 which he intends to introduce as evidence in her case-in-chief at trial.

15 The United States further requests that it be permitted to inspect and copy or photograph any  
16 results or reports of physical or mental examinations and of scientific tests or experiments made in  
17 connection with this case, which are in the possession or control of Defendant, which he intends to  
18 introduce as evidence-in-chief at the trial or which were prepared by a witness whom Defendant intends  
19 to call as a witness. The United States also requests that the court make such orders as it deems  
20 necessary under Rule 16(d)(1) and (2) to insure that the United States receives the discovery to which  
21 it is entitled.

22       Federal Rule of Criminal Procedure 26.2 requires the production of prior statements of all  
23 witnesses, except Defendant. The time frame established by the rule requires the statement to be  
24 provided after the witness has testified, as in the Jencks Act. The United States hereby requests that  
25 Defendant be ordered to supply all prior statements of defense witnesses by a reasonable date before trial  
26 to be set by the court. This order should include any form these statements are memorialized in,  
27 including but not limited to, tape recordings, handwritten or typed notes and/or reports.

## **CONCLUSION**
